

Banana

Country of origin: Ecuador

These bananas are originally collected in Ecuador, then they are immediately concentrated and processed in order to obtain the best banana puree. Only the best bananas, mature, balanced in flavour and with the perfect aroma, are selected to become Mixer® Banana puree. The product has an intense and true to the original taste. Its taste is strong and full bodied just like a fresh banana smoothie.

“It will seem just like drinking freshly peeled fruit... just try and see!

Mixer® Banana contains no food colouring.
