

Cranberry

Country of origin: North America

Mixer® 100% Cranberry puree is the highest expression of bottled fruit. It is absolutely the most essential product needed for the preparation of the trendiest cocktails like Sex On The Beach or Cosmopolitan.

Just dilute Mixer® Cranberry with 5 parts of water (pour 16 cl of pulp in an empty Speed Bottle and fill it with water) to obtain a well balanced juice both in flavour and in colour. It will surely remind you of the taste of the original American cranberry juice.

Mixer® Cranberry is made of the typical tiny sour North American berries containing acknowledged antibacterial properties and health benefits.
