

Green Apple

Country of origin: Italy

Only the best green apples from Trentino and South Tyrol are selected and picked at the moment of their perfect ripeness. The barely concentrated pulp is perfectly balanced in sugar and it holds the right degree of acidity. The essence obtained from the skin gives Mixer® Green apple the scent of fresh fruit freshly picked.

Mixer® Green Apple has a very dense and strong pulp similar to the fruit smoothie. Many non-alcoholic cocktails, frozen, crushed or smoothies combinations can be prepared.

It is undoubtedly the essential ingredient for the famous Apple Martini. It is perfect when used with pastry in combination with cream and ricotta cheese, garnished with raisins and a sprinkle of cinnamon.

Mixer® Green Apple contains no food colouring.

EAN Code: 8015817001265

Code: 136

Weight: 1,35

Package: cl. 100
