

## Kiwi

Country of origin: Italy

Mixer® selects for the Kiwi puree only the best puree obtained from controlled and high standard of quality plantations.

Mixer® Kiwi comes only from Italian crops. Before the concentration, the fruit puree is analyzed to verify the pectin and to evaluate the structure and consistency that are necessary to provide a high capacity blending product.

Mixer® Kiwi preserves all year round the fragrance of fresh fruit through the process of concentration of the puree, which flavour remains unvaried for a long time.

Simply open a bottle of Mixer® Kiwi to notice the typical fruit seeds, which are clearly a sign of high quality and natural product.
