

Mango

Country of origin: India

Just like all Mixer® purees is not pasteurized but it does preserve itself for 24 months when kept closed or up to 3 months after opening. Mixer® Mango puree is produced with a natural low ° Bx which is then gently concentrated at low temperature. It offers a sweet and firm pulp, impeccable for the preparation of many cocktails, tiki cocktails and smoothies.

Mixer® Mango contains no food colouring.

EAN Code: 8015817001289

Code: 139

Weight: 1,35

Package: cl. 100
