

Melon

Want to enjoy the taste of summer all year round? Mixer® Melon, a 100% concentrate puree picked and selected in Italian and Spanish crops, brings into your drinks the refreshing and natural taste of the best and freshly picked riped melons throughout the whole year.

Mixer® Melon is non-pasteurized in order to preserve all the aromas and of the original fruit. Just pour it into the glass and appreciate the incredible resemblance to the original fruit both in the taste, in the aroma and in the colour. Provides every drink a tasty and persistent flavor of the original fruit, it also challenges even greater dilutions as in frozen cocktail or smoothies.
