

## Peach

Country of origin: Italy

Mixer® 100% Peach puree retains all year-round the taste of the best Italian peaches picked when perfectly ripe.

Thanks to a careful production process, the fresh fruit is concentrated in order to maintain long-taste and the aroma as if it were just picked.

No pasteurization process is carried out in order to preserve the naturalness of the fruit and its yield during the blending. Mixer® Peach has got a colourful and intense aroma, with a thick and creamy density that bestow the product with a high mixability.

Mixer® Peach contains no food colouring.
