

Sweet & Sour

Mixer® Sweet & Sour mix is a ready and bottled in the Speed Bottle premix obtained from the perfect balance of the lemon juice, sugar syrup and water. Mixer® Sweet & Sour confers a persistent foam to the drink.

The perfect union between the freshly squeezed Sicilian lemon juice, the essential oils contained in the skin of the fruit and the sugar syrup makes this product essential for the preparation of sour cocktails, daiquiris, margaritas and a large number of non-alcoholic drinks.

Easy to use: just open, pour and the drink is ready in a flash.

This product contains no food colouring.
