Who said Italians can't produce a great vodka?

The creation of the Italian ZZERO® vodka made with 100% wheat from our Po valley and the uncontaminated water from our Alps is definitely our answer founded on our know-how. The Italian® Vodka ZZERO is a distillate of the highest quality; it is surely pure and refined because of the double filtration which preserves all the sophistication quintessential of the utmost vodkas in the northeast Europe.

ZZERO® vodka is characterized by its dry savour and its unbiased flavour making it a unique mixing product.
